

Paddle & Pedal TRIP

Torn between wanting to enjoy the river and riding the trails? Why not enjoy having the best of both worlds? With the Paddle/Pedal trip you combine a six mile float with a six mile bike ride (or longer). All you have to do is arrive at our office with your bike in tow, and we will provide the canoe or kayak for the float. Take out at Fisherman's Cove where your bike will be waiting for you. Then you can enjoy a leisurely ride on part of the Rails to Trails bike trail that will lead you back to your vehicle.

- \\ Kayak trips are \$40.00/per
- \\ Canoe trips are \$45.00/per

Enjoy the gorgeous river and beautiful trails on the same day at Outdoor Allegheny River Services (O.A.R.S.). To reserve your paddle/pedal trip call JB @ 814.388.9122

“See you on the river”

The estimated float time is 3-4 hours and the ride is approximately 30 minutes.
